OUR MISSION: The Nimiipuu Fund facilitates financial independence by enhancing the personal and entrepreneurial capacity of the Nez Perce Reservation and surrounding communities. We promote economic growth while embracing our cultural values and traditions by providing tailored financial products and services.

Chartered in 2013 by the Nez Perce Tribe, the Nimiipuu Community Development Fund is an established non-profit organization that provides financial opportunities to stimulate economic development on and near the Nez Perce Reservation.

Your contributions make it possible for us to provide valuable technical assistance and support the advocacy work of the Nimiipuu Fund and provide a professional forum for Tribes, Governmental agencies, and our Native CDFI to corporate partners to address the needs of Indian Country in the Nez Perce Reservation. Your sponsorship provides for a successful event by furnishing resources for events, and so much more! And with your support, we can continue to maintain our high level of service and strive to make being a part of “Nation Building” with Nimiipuu Fund a rewarding experience. Contributions are also tax deductible, NCDF tax identification EIN 47-1926181.
